Continuing its long-standing policy of actively supporting equality of opportunity for all persons, American International College does not discriminate on the basis of race, color, national origin, sex, sexual orientation, religion, disability or veteran status in its admissions, employment or provision of services. Also, the college maintains the same profile of scholarship, loans, athletic and other school administered programs. The college is proud of its long-standing commitments in these areas. In compliance with requirements of the federal Crime Awareness and Campus Security Act of 1990 and the Higher Education Amendment of 1992, information regarding statistics on campus crime at American International College is available by contacting the Vice President for Admission Services.
