

F. Readmission to AIC (Updated April 23, 2019)

1. Readmission to AIC is available to former students who plan to return after the reenrollment period (see above) and who meet one or more of the following criteria:
 - a. Did not return from an approved Leave of Absence
 - b. Did not return from a term under the Excused Withdrawal Policy
 - c. Withdrew or separated from the College while in good academic standing
 - d. Was not dismissed for disciplinary reasons
 - e. Was dismissed for academic reasons but has attended another institution of higher education and can demonstrate successful academic performance. A petition for Academic Forgiveness may also be submitted at the student's request.
2. Students expelled from the College for disciplinary reasons are not eligible for readmission.
3. Former students who wish to pursue readmission should contact the Admissions Office before the required admissions deadline for the term in which they want to enroll.
4. If the application is approved, the catalog year for the declared major will be set to the term of readmission, potentially initiating new degree requirements. Additionally, students will be required to meet with an advisor and outline a plan for academic success for the degree program. Students are also free to change to a new major at this time and have courses from other colleges/universities evaluated for transfer to the AIC program according to the College's current transfer evaluation policy.
5. The department to which a student is returning has final approval of credits that will count toward graduation. Departments may disallow credits toward graduation for some older courses.
