### Nomination Criteria

An honorary degree is the highest form of recognition offered by American International College. These degrees are a way for AIC to publicly recognize those who have made outstanding contributions to society through scholarship, artistic production, humanitarianism, and other actions that further the College's mission: to prepare students for personal fulfillment, professional achievement, and civic engagement.

Please note that honorary degrees are not awarded in absentia, except in the case of compelling and extraordinary circumstances.

### Nominee Identification Data

Name of Nominee:  
Current Title(s)/Occupation:  
Address:  
Email:  
Telephone number:

### Nomination Narrative

Please comment (in narrative form) below or attach a separate one- to two-page statement that includes the following:

- A one-to-two sentence description of why you are nominating this person for an honorary degree
- How the candidate exemplifies the mission of American International College
- If you are submitting this candidate for consideration as a commencement speaker, please explain why they would be an outstanding choice for an audience of AIC students

Please attach the candidate's curriculum vitae to this form, if available, and/or a biographical summary along with any other supporting material.
